Piranha Barber Academy

Course: Traditional Shaving: Beard Grooming/Cut-Throat Shaving

This course enables participants to gain an understanding of the skills required to deliver a relaxing service. Centred around hot towel treatment and the cut-throat shaving experience, this traditional shaving course will include the fundamentals of massage and male grooming. This beard grooming course promotes the advantages of clients growing moustaches, designer stubble, full beards, and bespoke facial hair. The aim is to create a new range of services for businesses, to enable the development and delivery of more diverse treatments.

VTCT Statement.

"Vocational Training Charitable Trust (VTCT) is a specialist awarding organisation (AO). Launched in 1962, it offers vocational and technical qualifications, including apprenticeships, in a range of service sectors. It is currently the market leading AO for the Hair and Beauty sectors.

More than 800 approved centres work with VTCT, and the ever-expanding list extends across the UK, Ireland, and internationally. Its acquisition of internationally recognised examination board ITEC, in 2016, added to VTCT's specialist offering.

VTCT aims to advance education, research and the public dissemination of knowledge, helping to introduce new initiatives into the education system. It acquired education technology specialists Digital Assess in 2016, adding value for training providers with technology that can digitally capture and assess learners online, amongst other innovations."
